Join AMSA Today!!!
American Medical Student Association – Miami University Chapter

AMSA is a student organization created to assist pre-medical students with their undergraduate and medical education. Involvement in AMSA will help you achieve your goals as a student and future medical practitioner. We organize speakers such as doctors, medical students, research doctors, admissions counselors and more. Question tosses with pre-medical advisors will help you prepare for important medical school interviews. Visits to medical schools, helpful information sessions, and connections to various volunteer opportunities are only some of the benefits of being an AMSA member. Your involvement as a member will continue to strengthen our organization. We are always open to new suggestions and ideas. Become an AMSA member to start making your dream become a reality!

Chapter membership dues are $5 and should be returned with the form below to Gwen Hart in the zoology office at 212 Pearson Hall. To become a national member of AMSA, visit www.amsa.org. Check out the Miami University AMSA webpage at:

www.orgs.muohio.edu/amsa

For more information, email Erik at skulboep@muohio.edu or Amit at rattanas@muohio.edu

Return the following information with $5 annual dues (cash or check made payable to: Miami University AMSA) to GWEN HART in the Zoology office at 212 Pearson Hall.
