The Pharmacy Club Constitution 2003-2004

ARTICLE I. General Statement
The Pharmacy Club will consist of any Miami University student interested in pursuing a career in pharmacy, attending a pharmacy school, or seeking out information concerning any other topic related to the field of pharmacy.

ARTICLE II. Purpose
The Pharmacy Club’s purpose is to seek out and share updated information concerning the field of pharmacy and the pharmacy school application process. In addition, this club serves as a support system by which pre-pharmacy students may gain a deeper understanding of the field and of others sharing a common interest.

ARTICLE III. Membership
The Pharmacy Club will accept any Miami University student with an interest in pharmacy regardless of sex, race, religion, age, color, sexual orientation, handicap, or national origin. The Pharmacy Club subscribes to the University policies of non-discrimination (Section 1502.a) and hazing (Appendix X).

ARTICLE IV. Meetings
The Pharmacy Club will hold meetings as needed (as pharmacy-related events arise) and at such a frequency desired by its members at large. Meeting topics shall include (but not be limited to) general club information, officer elections, pharmacy school visit notification/discussion, speaker meetings, etc. The Pharmacy Club and its officers will be held responsible and accountable for the behavior and actions of its members at all events sponsored by the organization.

ARTICLE V. Advisor

While encouraged to be actively involved in the affairs of the organization, advisers are minimally expected to: attend meetings of the organization periodically; provide guidance to the officers and members in the organization’s plans, programs and activities; approve the organization’s request forms as necessary; and serve as a resource to the organization for information concerning University policies. It is expected that officers and members will utilize fully the services of the advisor.
